HARMON HAS MADE GOOD

All over the state of Ohio you can remarks. hear the people say, "Harmon has him to have another term. He has suncovered rascallty at the state house, as he promised in the campaign two years ago he would do, and he ought to have another term to finish it up."

That's the point exactly. Governor Harmon HAS MADE GOOD, and all the noise and mud-alinging by Mr. Harding is fooling nobody but himself.

Harmon ought to have another term to finish the work he has begun. But he ought to have a full staff of state officials and a Democratic majority in both branches of the legislature to help bim do it.

After witnessing the obstruction and resistance on the part of a Republican legislature and some other state officials, against which Governor Harmon has had to contend, there can be no dispute that he would have accomplished much more if a Democra tle legislature and all his associates on the Democratic ticket had been elected two years ago.

Don't make the same mistake this time. Let your motto be, HARMON AND A CLEAN SWEEP, for Governor Harmon HAS MADE GOOD.
